

مأنا
MARNÄ DESIGN®

Marna Design is a creative furniture and decor company based in Amman, Jordan that caters to individuals who are seeking distinct design solutions. Composed of a highly professional team, Marna Design's mission is to be a leading creative furniture design and decor company in Jordan and in the region.

Marna firmly believes in its mission because it has team that has an impeccable track record of producing unique furniture pieces that have captured attention in several international exhibitions and are the valued prize of many collectors, as well as striking architectural creations that have captured headlines. Led by Rashid Abdelhamid, burgeoning architect that has been noted by leading journals and international media as one of the most promising designers in the Middle East (see www.aldeira.ps for a sample of his creations), the team has the capacity to cater to every need: from the extensive decor and design of hotels, concept restaurants and retail shops, to the special requests by individuals who are seeking to add a touch of style to their living space.

Marna design provides a full range of the finest quality architectural design services. The firm has provided creative and effective solutions for diverse clients on a wide range of projects. The firm has executed projects in the fields of health, education, residential, hotels and restaurants, sports and leisure, commercial for public and private sector clients as well as for international organizations.
